

Mid-Michigan Mountain Biking Association Sponsorships

Our Mission

Mid-Michigan Mountain Biking Association is the advocate for mountain bikers and mountain bike trails in Mid-Michigan. We believe mountain biking is a positive, healthy activity for riders of all ages and abilities. We share our passion-bringing new riders to the sport while promoting responsible riding. We help plan, build and maintain trails to ensure a quality experience for all riders. We build relationships with local land managers, supporting access on existing and new trails. Help us continue our mission by becoming a sponsor!

Benefits for You

As a sponsor of MMMBA your company will be listed on the MMMBA website sponsorship page which is accessed by our members and community.
